As in the cases of Nagar Nigam list given by SUDA it is found that 1174 no consumers bill withdrawn amounting Rs 81.34 crore all over Chhattisgarh.

Seeing the above discrepancy it is instructed to see all the inactive consumers of Govt connection individually at the field level and to verify the bill if any false arrears is there. Then after do the needful to withdraw the false arrears upto 20 June 2026.

Also as per Supply Code Clause 10.22(b) "The Licensee is entitled to recover old electricity dues in respect of a permanent disconnected connection of a consumer, from other existing electricity connection of same consumer within its area of supply". Hence after withdrawn of false arrears of inactive consumers, as per the above clause the transfer of inactive arrears to existing electricity connection of same consumer may be done till 25.06.2026 as per standard practice of the power company.

The same should be intimated to this office in the prescribed format with the action taken to recover the inactive arrears.

Format is uploaded in Public Document_CE Revenue_LT Revenue_Format for recovery of Govt. inactive arrears.

Encl:- Format as above.
